To Whom It May Concern:

This is a request under the Freedom of Information Act. I hereby request the following records:

–All proposals, guidelines, documents, and memos regarding "America's Harvest Box," the proposed package that would replace about "half of the money most families receive via the Supplemental Nutrition Assistance Program," according to Politico:
<https://www.politico.com/story/2018/02/12/food-stamps-trump-administration-343245>

–The article says the proposal was developed internally by the USDA, and I would also like any information and/or research that factored into this idea.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.

Sincerely,

Vanessa Nason
